

PINAR MEAT COMPANY

Pinar Meat is part of Yaşar Holding Corporation, one of the largest company groups of Turkey operating in multiple sectors. Since its establishment, Pinar offers its consumers the products which are a source of health, taste and innovation by using the most modern technologies in production. Pinar makes no compromises on quality in its products and systems therefore it is one of the most trusted brands for over 40 years.

The cross country operations of Pinar Meat are expanding every year. PINAR is exporting to nearly 40 countries. Pinar products are sold in countries such as; Saudi Arabia, Bahrain, Kuwait, The United Arab Emirates, Qatar, Oman, Libya, Jordan, Uzbekistan, Kazakhstan, Turkmenistan, Azerbaijan, Kyrgyzstan, Singapore, Germany and Australia. In order to run cross country operations in Gulf Countries and in Germany, HDF FZCO and Pinar Foods GmbH has been established.

Continuing its successful growth performance and increasing its share in each category, Pinar Meat continued its leadership in the sector, in Turkey and in GCC countries as well.
