

DAIRY

**Generations'
Health,
Generations'
Future**

Pinar is a leading Turkish dairy brand with a strong history and expertise. Since the foundation in 1973 as first modern dairy factory of Turkey, Pinar positions itself as Source of Health, Pleasure and Dynamism for consumers.

In addition to leaderships in many categories in Turkish domestic market, Pinar also enjoys a strong dominance in Turkish exports with almost 20% of dairy exports of Turkey. Pinar touches lives of millions in many countries, with high quality products, various recipes and solutions to daily needs of home cooks and chefs in food service.

Pinar presents you dairy products from 100% fresh dairy without any vegetable fat.

An aerial photograph of a lush green landscape, featuring rolling hills and a dense forest. The scene is bathed in a deep green light. In the center, a bright white circular glow contains the logo for 'PINAR'. The logo consists of the word 'PINAR' in a bold, green, sans-serif font. Above the 'I' is a blue swoosh, and above the 'A' is a red swoosh. A green swoosh is positioned below the 'R'.

PINAR
